### Why form an Alliance?

Classics Eagles is an alliance of two youth soccer clubs committed to providing older players with the best in coaching/training, culture and competition so that they can maximize their potential on the field.

Classics Eagles will create a culture which demands players value excellence, respect and hard work. This culture will develop skills necessary to succeed both on the field **and** in other aspects of their lives (friendships, school, work etc).

Classics FC and Eagles FC believe that by aligning with each other in the U13 and older age groups, they will provide an elite advantage for teams and players at multiple skill levels.

A list of Frequently Asked Questions is available on the club's website at [www.ClassicsEagles.com](http://www.ClassicsEagles.com)
